**Subject:** Upcoming Hearing

Dear Andrea,

I just heard about the upcoming hearing via Timm Donnelly from Ludlow Community Tv, via Terry Duenas. Don't know much about the hearing itself, but am interested in learning more and speaking if no one else has already said what I might, so, please include me as a witness and send me whatever information you have on the agenda and process, dates, times, locations, etc.

I can be reached at [ecat@crocker.com](mailto:ecat@crocker.com), or 413-529-1425.

Thanks,
